

Practise reading this sentence. Help your child to remember to:

- Put their finger under the words as they read.
- Say the sounds for letters in words and blend them to read.
- Read the whole caption again from the beginning.
- Draw a picture to match the caption in the box.

run to the top of the hill.

Keep practising reading the tricky words. These are words where you cannot blend the sounds together to read. You need to learn these words by remembering what they say. The more you look at them and read them the better you will get!
