

Chatter Matters 11th May 2018

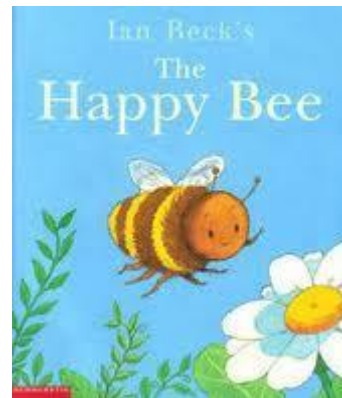

Next week we will be helping to prepare lots of decorations for a special 'honey bee wedding party!' How exciting! The Queen bee also needs our help sorting her worker bees into groups, making honey sandwiches and finding our names which are hidden in her bee hive!

We will also be reading a story called 'The Happy Bee'. What a busy week we are going to have!

At home, talk together about the sorts of things that make you feel happy. You might feel happy when you are playing with your favourite toys, when you are having a bedtime story or when your mummy or daddy gives you a cuddle. There are lots of things that can make us feel happy!

Let us know how you get on at home by commenting on your child's Tapestry account.

Magical Maths Challenge 11th May 2018

Next week we will be continuing to look for patterns and will be having fun creating our own patterns too.

Try singing this fun pattern song at home together. Have fun making up your own actions to the song too!

Clap your hands and wiggle your fingers, clap your hands and wiggle your fingers, clap your hands and wiggle your fingers, now we've made a pattern...

Clap your hands and stamp your feet, clap your hands and stamp your feet, Clap your hands and stamp your feet, now we've made a pattern...

Clap your hands and wiggle your bodies, clap your hands and wiggle your bodies, clap your hands and wiggle your bodies, now we've made a pattern...

Let us know how you get on at home by commenting on your child's Tapestry account.
