

Year 5
Just Talk Homework for week beginning 12.11.18

As we are attending the peace garden on Monday to show our respect for those who fought and died in the war, this week we would like you to write an acrostic poem about remembrance. We would like you to think about the events of the war, the feelings of those affected by the war and the families and friends that were left behind.

Don't forget, when writing your poem; include emotive language, descriptive language and specific vocabulary linked to the topic.
