

# Year 6 Curriculum Newsletter

## Art

### Sculpture and clay design

The children will design their own Mayan pottery finger bowls!

## History

The children will be researching and studying the ancient Mayan civilization and how they influenced the modern world. They will compare it to other ancient civilizations, using prior knowledge of societies such as Rome and Athens to build a thorough understanding of the Central American society.

## PSHEE

### Sport and Health Week

### My Money Week

## RE

### Islam

Children will develop and extend their knowledge of Islam in the run to the celebration of Eid in June.

### Christianity

The children will focus on studying the importance of the Bible to Christians.

## Outcome

## Summer Fair End-of-year production

### Year 6 Summer 2019 Topic Web Marvellous Mayans

## Computing

### Digital Literacy

The children will develop, compose and edit their own Photostory3 presentation about internet safety and staying safe online.

## Music

### Garageband and end-of-year performance

The children will use GarageBand to develop their own compositions based on the Mayans. Then, they will audition, rehearse and star in their own end-of-year production!

## MFL

### Spanish

Greetings, common phrases, songs and numbers to 20!

## Geography

### Physical features of Central America

Children will study the physical and human features of Mexico and surrounding Central American countries.

## PE

The children will be improving personal performances in athletics on the school field. They will also play striking and fielding games including rounders and cricket.

## Science:

### Living Things and Habitats (short topic)

The children will use a range of keys to identify species and classify them by their characteristics.

### Forces recap

Children will recap their knowledge and skills in the effects of air and water resistance, and friction on moving surfaces.
