

Just Talk Homework for
week beginning 30.1.20

The children are really enjoying the topic of Brazil. The children have had the learn it, know it fact sheet, they have been researching Brazil in Guided reading, have looked at human and physical features in geography and some children have been looking at some Brazil facts at home. We have looked at the work of Romero Britto too.

Your Just Write for Monday 3rd February is to PROVE to us what you know about Brazil. You need to talk about all the facts and information you have about discovered though our topic.

We would like to see all your information presented in an amazing Just Write and we need some for our display in the classroom.
