Dear Parents,

We have some very exciting news! Next week we are launching our very own Bowerham Bistro.

To make our lunch times an even more culinary experience we are making a few changes to how we run the lunches.

Our school dining room is being redesigned to give it that restaurant feel rather than a school canteen.

Our tables will now be numbered and the children will be allocated a table where they will sit with a friend of their choice, which the children have been deciding today, for half a term. The table will have a monitor who will be responsible for ensuring everyone has the cutlery they need and a drink of their choice. It will enable our children who have packed lunches to sit with those who have school dinners. This will also reduce the hustle and bustle that can sometimes happen especially at the moment with bubbles being in operation.

Lunch times at Bowerham have always been a family affair and we are hoping these changes will make it even more so for all our children.

Have a lovely weekend.
