

Pupil School Improvement Plan 2021-2022 v2

(Written by the Pupil SLT)

We will continue to plan together all aspects of our school, to ensure that the learning, behaviour and safety of every member of our Bowerham Family continue to be 'Outstanding'.
The children of the Pupil SLT, along with the teaching staff, have looked at everything we have achieved and decided how we can continue to reach our full potential next year.

This year's 4 lead areas are:

- **To make sure the curriculum is interesting, fun and engaging for all children and it is adapted to ensure that everyone is given the support and help that is needed to reflect the challenges and impact of COVID-19.**
- **To make sure children meet their personal targets by ensuring that under achievement is identified early and planned for.**
- **To mix online methods of teaching and learning with skills from before lockdown.**
- **To continue to make sure the whole Bowerham family has strong mental health and wellbeing.**
