June 2022**

Lancashire SENDIAS have commissioned Transition Workshops for parents of children with additional needs, who will be transferring from primary to high school in September.

Joining an online workshop will enable parents to prepare their child for some of the changes they will experience and help children to be confident that they are ready for their new school.

There will be 3 online sessions for each workshop with a mixture of discussions with other parents and practical tips that families can work on at home together, these will run on the same day and time each week.

For more information or to sign up to 3 sessions of the workshops email Joan at
