

Senses

We have 5

Hearing:
We hear sounds with our ears.

Smell: we use our nose to smell nice things and horrible things!

senses:

Sight: we see the world with our eyes.

Taste: we taste things with our tongue.

Touch: we feel things with our skin, on every part of our body.

herbivore

Animal Diets

Herbivore: an animal that eats natural foods, like fruit, plants, leaves, grass. Cows and mice are herbivores.

carnivore

Carnivore: an animal that only eats meat. Tigers and snakes are carnivores.

omnivore

Omnivore: an animal that eats both meat and natural foods. Humans and dogs are omnivores.

Computing

How can I control Key board and mouse skills?

To be able to move and left click to select, click and drag to move items and find letters on a keyboard and begin touch typing.

Year 1—Autumn 1 2022

LEARN IT KNOW IT USE IT

Theme - Animal Kingdom

What YOU need to know!

Art- What is mark-making?

Top use a variety of drawing materials including pencil, graphite, pen, chalk, soft pastel, wax and charcoal.

We will be using these skills to make a leaf rubbing using different marks.

What is an observational and experimental drawing?

To draw what you see or record what is seen. You can share how it felt too.

DT- where food comes from?

Food from plants

Some foods come from plants, like fruit, rice, vegetables and soya.

Food from animals

We get meat and fish from animals, but we also get eggs, milk, yoghurt and cheese from animals.

How can we design a leaf man pizza?

We will design a healthy pizza that appeals to my taste. I will use vocabulary to describe the food such as soft,, hard, crunchy. We will then evaluate the pizza's using the criteria- what characteristics does my pizza have? Can I use words to describe my pizza and explain what I am making?

Types of Animals

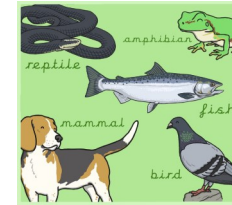

Amphibian: An animal that can live in water and on land. They breathe through their skin and lay their eggs in water.

Reptile: A cold-blooded animal with scales or or plates.

Fish: An animal that lives in water and has fins and scales. It breathes through gills.

Mammal: An animal that has skin and hair or fur. They have warm blood and their babies drink milk.

Bird: A bird has feathers and wings. They lay eggs.

Christianity—God as the Father

Why do Christians call God the Father?

God is addressed as the **Father**, in part because of his active interest in human affairs, in the way that a **father** would take an interest in his children who are dependent on him and as a **father**, he will respond to humanity, his children, acting in their best interests.

What lessons do we learn from The Parable of the Lost Son story?

The Father had two sons, and had an inheritance to give to them. One of the sons asked for his money. He takes his money and wastes it all away, until he left with nothing. When he returns home, his father welcomes him and throws a celebration.

We learn that, like the father in the story, **God** will always forgive us and take care of us, even when we make mistakes.
