

Creativity at Bowerham

At Bowerham Primary School we believe that creativity is very important. Creativity is at the heart of our curriculum. It permeates through every aspect of our teaching at Bowerham!

This is done through:

- A pupil led creative curriculum which focuses on key skills
- Clubs and workshops for singing and drama—including being able to take LAMDA exams
- Regular whole school visits to the theatre
- Links with the Dukes theatre
- Learn to Play Live opportunities for every year group
- Participation in the Music Festival
- Music and Arts celebration assemblies
- Participation in local art trails
- A wide range of extended opportunity music lessons
- Planned speaking and listening opportunities across the curriculum
