

Bowerham Kids' Club

Established in 2011 as a Social Enterprise (not for profit) to provide quality childcare before and after school for the children of Bowerham Primary & Nursery School.

Since 2016 we have introduced a holiday scheme to meet the increase in demand.

The holiday provision is open to Bowerham School pupils and children from the local area.

It is advisable to book as early as possible as our places fill up quickly

Our Mission

At Bowerham Kids' Club we aim to do the following:

- To be an inclusive, enabling environment where children are respected and nurtured
- Encourage children to develop relationships
- Provide a wide range of resources and equipment
- Offer a programme of activities inside and outside to meet the needs of the children
- Work in partnership with parents and school
- High quality childcare within a safe, warm and welcoming environment
- Value the uniqueness and individuality of each child in our care

Working in Partnership

We work in partnership with parents, school and other professionals to provide learning opportunities for children to meet the childcare needs of parents. Also we support children's development, working closely with school, following similar themes and using the Bowerham Best policy to support behaviour.

Bowerham Kids' Club and Bowerham Primary and Nursery School have also teamed up to provide a casual club of 10 spaces for children in reception to year 6 which is booked via the school office. The children will attend Kids' Club with additional staffing being provided by the school. Please note that Casual Club closes at 5:00pm

Food and Drink

We provide a healthy breakfast and snack each day and children have access to water throughout the day. We like to offer children a range of healthy snack items at after school club.

Please let us know if your child has any food allergies or special dietary requirements

Staffing

Sam and I have considerable experience of working with children and are very passionate about providing high quality childcare. All staff are supported to gain qualifications and access training such as early years, first aid, food hygiene, safeguarding, conflict resolution and equality & diversity
