Friday 31st March  
School closes @1.30pm

4,  
Outcomes:

- Visiting a transport museum
- Completing an Egg drop challenge
- Celebrating World Book Day

2,  
The children have had a fantastic half term. We have enjoyed our trip to Williamsons Park learning about Lancaster THEN and NOW.

Following a discussion with the children, here is some of the learning they enjoyed this half term:

- ◇ 'I am 6 now! I learnt the Poem 'Now we are six''
- ◇ 'I loved reading Percy the Park keeper stories'
- ◇ 'Lancaster has changed so much, I liked spotting things that are the same and different'.
- ◇ 'The Ornamental lake at Williamson Park made by Mr MacClean'.
- ◇ 'It is the Year of the Rabbit, Happy New Year!'
- ◇ 'I liked learning how to measure. We measure length in centimetres.'

3,  
Spring 2 in Year 1 is going to be filled with fun... Our curriculum connector is TRANSPORT. Together, with the children, we have designed a curriculum to meet their needs. We shall be continuing to learn through a play based approach and adding learning and challenges into the continuous provision.

The children will have completed a 'transport through history' as a project before we start Spring 2. We have planned carefully to maximise the learning outcomes for our topic **transport**. We hope to visit a transport museum as part of enrichment for the children this will give the children insight to transport through time. In Literacy, we will be looking at 'transport' stories by Tony Mitton our author of the half-term. We are also looking forward to our 'Egg Drop Challenge' for Science and DT.

Please keep an eye on your child's Showbie accounts, Facebook and the school website to see what the children are up to. It has been amazing to see the children completing their Task Homework, Chatter Matters, and reading on BugClub. Please continue to complete this as it supports our blended learning approach to learning. Thank-you for all your support and we are looking forward to a very exciting half-term!
