

RE- Religious Festival/Celebrations

Diwali (Dharma, Sikh)-

24th October

Diwali is the **festival of lights**.

Dharma followers (Hindus) and Sikhs decorate houses, shops and public places with small oil lamps called diyas.

Hanukkah (Jewish)-

18th-26th December

Hanukkah is the **Jewish Festival of Lights**. The word 'Hanukkah' means 'Dedication' in Hebrew. It celebrates a miracle that happened in Jerusalem over 2,000 years ago.

Christmas (Christian)-

25th December

Christmas is a festival that celebrates the birth of Jesus Christ, who is believed to be the son of God.

Computing- Programming -

What is an algorithm?

An algorithm is a **list of step-by-step instructions that a computer follows in order to get a task done**. Each instruction should be very simple so that a computer can understand exactly what it needs to do.

What is debugging?

Debugging is finding and correcting errors in computer programs.

Year 1- Autumn 2 2023

LEARN IT KNOW IT USE IT

Theme-

The Great Fire of London

What **YOU** need to know!

Science

Investigation- Science investigation is the process of finding the answer to a question using various research methods.

Prediction- A prediction is a guess what might happen based on observation.

Fair Test-When you are testing something, you need to make sure it is a fair test. To do this **everything should be the same except the thing you are testing**.

Art- Primary and

Secondary Colours

The primary colours are white, blue, red and yellow.

We use the primary colours to make the secondary colours- orange, green, purple, pink, brown and grey.

Exploring Tone- What is tone?

Tone refers to how light or dark a colour is.

History- The Great Fire of London

On the **2nd September 1666** a fire broke out in Pudding Lane (London) and eventually spread across the city. St Paul's cathedral was destroyed in the fire.

The last fire was extinguished by a crew led by Samuel Pepys on **6th September 1666**.

On the **27th October 1666** the fire was found to have been an accident. In 1677 The monument to the Great Fire of London was completed.

Geography

UK Countries and Capital Cities

The United Kingdom is made up four countries and each of these has a capital city.

London is the capital of England,

Edinburgh is the capital of Scotland,

Cardiff is the capital of Wales and

Belfast is the capital of Northern Ireland.

Geographical Features

Physical features like seas, mountains and rivers are natural. They would be here even if there were no people around.

Human features are things like houses, roads and bridges. They have been built by people.
