

### The numbers

The numbers are your child's PIVAT score which links to the different PIVAT stages.

Please see the school website for a conversion chart outlining how the scores convert to year group expectations.

[PIVATS - Bowerham School](#)

### Details

Here you will find information including your child's name, class and the term being reported on.

PIVATS Assessment Report  
Name: Paddington Bear Class: 3DM Term: Spring 2022

### Curriculum area

The graph reports on the different curriculum areas where children's progress is tracked using PIVATS.

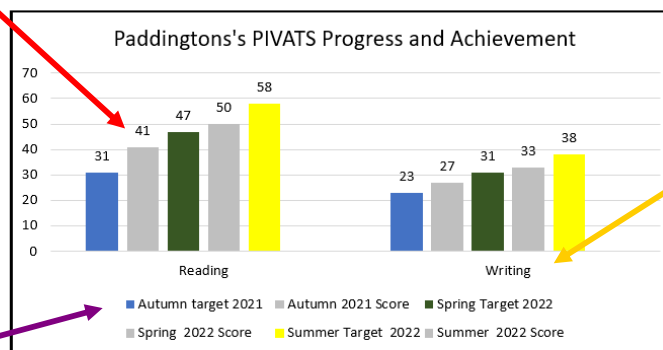

Children may be assessed in some or all of the areas below:

- Reading
- Writing
- Number
- Shape, Space and Measure
- Using and Applying

### The colours

Each PIVAT report indicates targets and scores for each term.

This builds up over the academic year to show progress over time.

Please see your child's Individual Learning Plan for achievement against specific targets; intervention received; and support you can give to help your child achieve.

For more information regarding PIVATS assessment and year group equivalents please see the school website: <https://www.bowerham.co.uk/pivats/>

### Activities/Provision

Children's achievements in these areas, individual targets, details regarding activities/provision, progress towards targets and achievement date are outlined on the ILP (individual learning plan).
