

## **Pupil School Improvement Plan 2023-2024**

*(Written by the pupil SLT)*

We will continue to plan together all aspects of our school, to ensure that the learning, behaviour and safety of every member of our Bowerham Family continue to be 'Outstanding'.  
The children of the pupil SLT, along with the teaching staff, have looked at everything we have achieved and decided how we can continue to reach our full potential next year.

This year's 5 lead areas are:

- **To provide high quality and meaningful training for our staff to have an impact on classroom practice and children's achievement.**
- **To make sure that all children reach their goals in writing.**
- **To ensure that the implementation of the curriculum is outstanding in all year groups.**
- **To build on existing support and communication with our families and develop partnerships between home and school.**
- **To improve the carbon footprint of Bowerham Primary and Nursery school.**
