Ref: Library book amnesty!

Dear Parents / Guardians

We are currently short of books, which we would very much like to recover and put back in to our system. As you know, new books are expensive, especially in bulk orders, and we cannot afford to just continue purchasing more books to replace those that are lost in the system. Our digital library system allows to us catalogue all of our books, and see who has what book.

Therefore, we are kindly asking our families to search their bookcases, draws or shelves (and any other nooks and crannies in houses that may contain books!) to see if any belong to our school. Please can this be done by Friday 1st March.

We have been busy locating books already in school that have not been scanned back in (which may have been put in other classrooms, or passed from child to child without being scanned in and out), but we are still short of over 500 books from our system. The amnesty is therefore a way to recover these books; however, if after Friday 1st March there are still books not returned, we will have to issue fees to cover the cost of those books.

Kind regards

The Literacy Team
