Re: Y6 workshops with More Music – summer term 2024

Dear Parents

Year 6 have been given the fantastic opportunity to work with professional musicians at More Music to collaborate on an exciting, brand-new music project that they will be delivering with us.

More Music have themselves recognised how Bowerham is a local leader in eco projects and being a more sustainable school, and want to work with our children to create soundscapes linked to the children's thoughts and opinions on biodiversity and climate change.

The project will consist of 5 hour-long workshops with both Year 6 classes, culminating in the production of a soundscape music track, which will be the children's own work. These workshops will be in school time, on the following dates:

- Monday 22nd April
- Monday 29th April
- Monday 13th May
- Monday 10th June
- Monday 17th June
- A final session TBC to complete and share the project

We look forward to this exciting project in what will be a fun-filled final term for our children at Bowerham!

Kind regards

Mr Haughton
