

## **Pupil School Improvement Plan 2025-2026**

This year's lead areas are:

- **To improve rapid recall, comprehension and confidence in maths.**
- **To improve literacy units and assessment of reading fluency.**
- **To further develop provision for SEND.**
- **To ensure subjects are lead highly effectively.**
- **To build on existing support and communication with our families and develop partnerships between home and school.**
- **To enhance early reading through developing fluency, comprehension and enjoyment of reading.**
