Miniature Garden Project

Dear Parents/Guardians,

This year our Easter project is to design a miniature garden. We have provided a recyclable cardboard tray to start you off.

What to Do

Please help your child make a small garden model using simple materials found at home.

What to Include

Encourage your child to include:

- Soil, sand, or grass
- Small plants, leaves, or flowers (real or handmade)
- Stones, twigs, or natural materials
- Handmade decorations (benches, paths, signs, animals, etc.)

Important

- Please use recycled or natural materials where possible.
- There is **no need to buy expensive items**.
- The project should mainly be your child's work (with supervision).

Due Date

Please send the completed project to school by: Friday 17th April.

The two designs that are the most creative and original will be recreated by Mr McHugh and the winning children at either side of our school water feature.

Thank you for supporting your child's creativity and learning!

Kind regards,

Stand tall, reach high, love learning

The Bowerham School community is proud to nurture aspiration, inspire love for life-long learning and prepare children for a changing society
