Dear parents and carers,

We're very excited to let you know about our upcoming Summerhouse Farm trip which you may have seen noted on the Year 4 5-minute overview.

As a school we have been very lucky to be asked to take part in an on-going community farm project provided by LESS in order to promote sustainable living. LESS is a not-for-profit Community Interest Company set up in 2007 to provide practical support to help the residents of Lancashire live more sustainably and in 2025 they were able to purchase some land and a large barn for a community farm in Lancaster. The community farm is known as Summerhouse Farm and is positioned just off Ashton Road after Ripley St Thomas.

Your children are the first from our school to be involved in this project where they will firstly have a member of the Summerhouse Farm team come into school to share with them what the project is about and the role they will play. After that, the children will visit the farm this term as well as when they move into Year 5.

Trip Details:

- **Where:** Summerhouse Farm, Lancaster
- **When:** 4CL Tuesday 16th June, 4KW Monday 22nd June.
- **Time:** Departing at **9:00am** and returning in time for lunch at school.

What to Wear:

- School uniform and a waterproof coat
- Wellies or old trainers to change into at school
- Sun hat and sun cream if it's a sunny day

Photo Permission

LESS is keen to feature the school farm visits in their next issue of Thrive magazine, so photo permissions include the use of photos for this purpose. Please let us know in your child's diary or by email to the class teacher if you **DO NOT** give permission for your child to be photographed on the visits for this purpose.

You can find more details about Summerhouse Farm and this project by visiting summerhouse-community-farm.

Thank you for your continued support,

The Year 4 Team.

Stand tall, reach high, love learning

*The Bowerham School community is proud to nurture aspiration,
inspire love for life-long learning and prepare children for a changing*
