Open day

We're excited to invite prospective parents to our **Open Day** on **Monday 28th September, from 3.30–5.30pm.**

This will be a relaxed *drop-in session*, giving families the chance to see our school, meet our team, and learn more about what we offer. It is also an opportunity for you to see your child's new classroom (apart from years 3 and 4 as these will be used by Kids' Club).

Please help us spread the word by sharing this invitation with family and friends who may be interested.

We look forward to welcoming you!

Working Together with Our Local Community and Families

We would like to make greater use of the wonderful knowledge, skills, experiences and connections within our local community, particularly among our families. We believe that involving parents and family members can enrich our curriculum and provide our children with exciting, meaningful and real-life learning opportunities.

To help us understand the expertise and interests within our school community, we would like to create a **Family Skills and Community Directory**. We will be asking families to complete a short survey sharing information about their **jobs and careers, hobbies, interests, skills, experiences and areas of expertise**.

This might include anything from healthcare, engineering, construction, art, music and sport to cooking, gardening, travel, technology, languages, crafts or other special interests and experiences.

With your permission, we may contact you if your knowledge or experience could support a particular area of our curriculum or enhance children's learning. This could be through visiting school, speaking to a class, sharing an experience or skill, providing a demonstration, answering questions, or supporting a specific project.

There is **no obligation to take part or to volunteer**. We simply want to build an overview of the wonderful skills and experiences within our families so that, when appropriate, we can make meaningful connections between our curriculum and our wider community.

Together, we can help bring learning to life and show children how the knowledge and skills they develop in school connect to the real world around them.

If you can help in any way in the meantime, please contact Mrs Hemingway on:

Donations

We are very grateful for your generous donations of books and uniform. Thanks to your support, we now have a fully stocked library with a wonderful variety of books to rotate and share with our students and an overflowing recycled uniform shed.

Contact Details Reminder

If any contact details change at any time for yourselves or your child, can you please inform school either via ParentApp or the school office as it is vital our information is always kept up to date. Also, this applies if any medical information regarding your child/ren has altered.

Nut Allergy Reminder

Our school is a **nut-free environment** to help keep all students safe. Please ensure that any snacks or lunches sent to school do not contain peanuts, tree nuts, or nut-based products. Thank you for helping us maintain a safe space for everyone.

Photos

Our school photographer is in school on **Tuesday 29th September** to take individual & sibling photographs. All children must come to school in full school uniform (black leggings/jogging bottoms), not their PE wear.

If you would like a sibling photograph, please take your children to the Sports Hall between 8.00 – 9.00am. This also gives you the opportunity to make you're your child is photo-ready! Children who arrive late to school because they're having their sibling photograph taken will not be marked late.

Unfortunately, due to school commitments and staffing, we are unable to facilitate sibling photographs during the school day
